

# Store 'n' Go™ PRO USB Flash Drive

Store, Share & Transport Files, Music, Photos, Videos

You can transfer large amounts of data significantly faster than a typical USB drive with the new Verbatim Store 'n' Go PRO USB Drive.

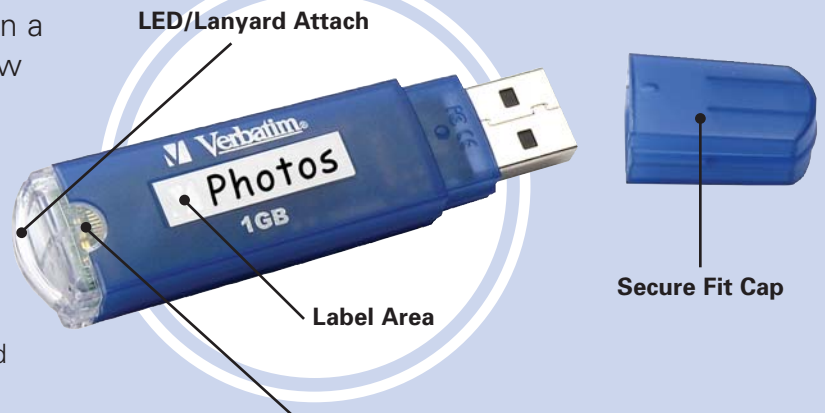

## Features

With over 90x Write and 150x Read Speed, the Verbatim Store 'n' Go PRO offers optimum performance, quality and reliability. Store 'n' Go PRO offers advanced security features and handy file synchronization. The Store 'n' Go PRO includes safety lanyard, personalization labels and pre-loaded user software.

## Benefits

Transfers large files and folders of data fast! Allows you to manage, access and protect your data in a form convenient for everyday use.

- Industry-Leading Speed – 14MB/SEC Write, 23MB/SEC Read with USB 2.0 High Speed connection
- Unique Synchronization and Security Features
- Sleek New Design
- Compatible With Windows, Mac, and Linux\*

### 2-color LED Status Indicator

- Blue:** USB 2.0 High Speed Mode (Device will operate at maximum speed)
- Red:** USB 1.1 or USB 2.0 Full Speed Mode (Device will operate at less than maximum speed due to a lower speed USB 1.1 or USB 2.0 port connection)
- LED Flashing Slowly:** Device connected and ready for use.
- LED Blinking:** Device in use. (Data is being accessed or transferred.)
- LED Off:** Device is in low power suspended mode

## V-Safe and V-Key

### V-Safe Security Features

- Privacy Zone password protects and encrypts sensitive data
- Anti-Tamper Password Entry software exits after 5th failed login attempt
- Device disables after 100th failed login, foiling unauthorized access attempts

### V-Key Synchronization Features

- Easy file synchronization
- V-Key On-Screen console

- Additional Features include drag & drop, file "Send To" feature, and programmable auto-run capability

### V-Key On-Screen Console Features

- Displays device status and contents
- Access to user customizable features
- One-click device eject
- Login/Logout of Privacy Zone
- Programmable write protection
